- The Application Form (completed and signed) to be downloaded on the website beauxartsnantes.fr/en/node/22792
- A one-page cover letter
- Curriculum Vitae
- Portfolio (maximum 15 images) in pdf

Academic year periods

- 1st semester : Mid-September to mid-January
- 2nd semester : Mid-January to mid-May

Application deadlines

Deadline for student nominations :

- For the 1st semester or the entire academic year : April 20th
- For the 2nd semester : October 1st

Deadline for student applications :

- For the 1st semester : May 1st
- For the 2nd semester : October 15th
- Results: approximately 2 weeks after the application deadline

General information

- Full-year students and exchange students have the same status
- No registration fees
- Registration with French social security: etudiant-etranger.ameli.fr
- Courses are taught entirely in French, with the exception of English and Korean classes.

Housing

Accommodation in Nantes and Saint-Nazaire is not provided by the school.

The international office can advise students and provide resources to facilitate their search (student networks, specialized websites).

- ▶ messervices.etudiant.gouv.fr
- ▶ studynest-services.fr/en
- ▶ leboncoin.fr

Application steps

▶ **Nomination** : Be nominated by your home university for an exchange.

▶ **Submitting your application** : Send the required documents by email

▶ **Selection** : The teaching committee for the Nantes and Saint-Nazaire campuses will review the applications. The results (acceptance or rejection) will be communicated 2 to 3 weeks after the application deadline.

Language level

French level A2 recommended for non-French-speaking students (certificate preferred). French courses will be offered to exchange students.
